PRESS RELEASE

PASCO 2021 Playground Build Update

PASCO and Catholic Charities

Hudson, Fall 2021: PASCO® teamed up with Catholic Charities and St. Ignatius Elementary School located in Cleveland, Ohio for its 2020/2021 corporate charity. PASCO will be updating the schools current playground this Fall.

PASCO raises funds from our team and through numerous fundraising efforts to provide the funding. We have built over 30 playgrounds throughout Northeast Ohio.

PASCO®, a diversified holding company based in Hudson, donated \$10,000 and will help update the play area at the St. Ignatius Elementary School in Cleveland. The project will be completed on Saturday, October 9, 2021.

The company believes that the mark of a truly successful company includes not only its commitment to its employees, but also its civic and community involvement. Involvement is one of the eight corporate values that guide the organization.

The company's Corporate Charity program has been in existence for over a decade. When the tradition was started senior management determined that employees would select the charity, as this would enhance their monetary and volunteer support of the cause throughout the year. Since 1995 the company has focused their charitable work on providing playgrounds for organizations and schools that provide services to children and families. Not only do they raise the money for the equipment, but they also build the playground.
